

Public Information and Communication Services

PICS stands for...

Public Information and Communication Services

PICS is...

multiple award IDIQ contracts that provide communication goods and support services on a task order basis to customers across all NIH ICs.

Why use PICS?

These contracts:

- ✓ were created with community input to increase effectiveness and usability,
- ✓ are available to all ICs in all locations,
- ✓ provide expertise in communication goods and services and promote the small business goals set forth by NIH,
- ✓ provide qualified and cost-effective personnel through competition among vendors, and
- ✓ present the customer with control over key aspects of the process.
